

HEART FOUNDATION : UNDER BETTER LIFE PROGRAM :- SUSTAINABLE ORGANIC AGRO FARMING

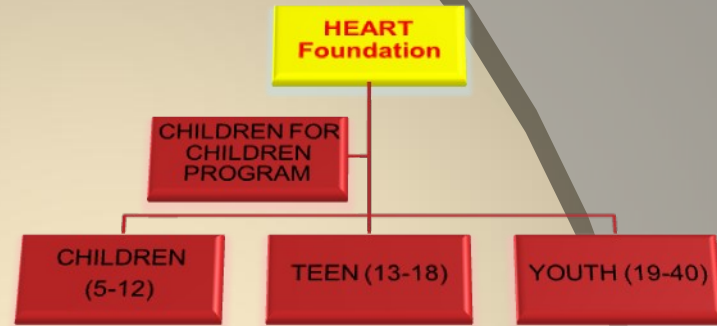

CHILDREN FOR CHILDREN is PROGRAM

under The HEART FOUNDATION : is a method where privilege children are taught to appreciate what they have and to “reach out” to the needs of the underprivileged children via voluntary involvement in charity programs:

Children are also taught:

1. “everyday is a gift” . Being able to survive everyday is a miracle. Every single day is a gift of survival ,hope & change. Thus its important to learn to GIVE , as giving brings HOPE & CHANGE to other children.
2. Being able to go to School is a “GIFT”.

Therefore HEART FOUNDATION is launching the **“1,000,000 Children Signatures”** program to raise funds for SUSTAINABLE ORGANIC AGRO FARMING and VOCATIONAL & SEWING TRAINING CENTER.

CHALLENGES of UNDER PRIVILEGE CHILDREN FACE DAILY TO ATTEND SCHOOL:

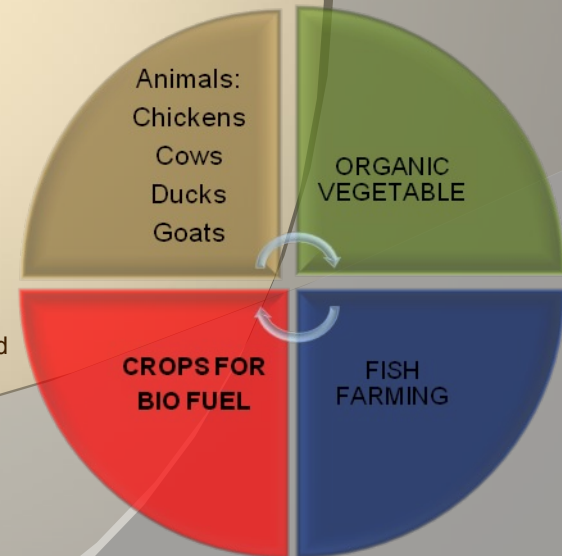

Help out in small farms... especially during harvest season...

Children Labor – sell souvenirs to tourists... illegal tour guide...

Some has to walk a few kilometers from 5:30am... bare footed & empty stomach to attend normal school.

Second school – approximately 90 students

SUSTAINABLE ORGANIC AGRO FARMING : is a closed looped

commercially viable, that is totally self Sustainable done for the purpose :

2. under privileged children can have more nutritious food
- future job opportunity for grown underprivileged children
 - job opportunity for families so that their children can continue to attend school.
